Notes

(1) Mileage: The Trust has four separate hospitals and is at some distance from its main PCT and SHA. Between them, these location factors account for the vast majority of directors' mileage claims

(2) James Quinn holds two roles with the Trust - its medical director and consultant ENT surgeon. The expenses listed above cover both roles, of which only around half applies to his duties as medical director

(3) John Webster left the Trust on secondment in October 2009

(4) James Quinn incurred course fees, flight and accommodation in attending the American Academy of Otolaryngology Head and Neck Surgery annual meeting; this figure is included under *Hotel accommodation*
