Notes

- (1) Mileage: The Trust has four separate hospitals and is at some distance from its main PCT and SHA. Between them, these location factors account for the vast majority of directors' mileage claims
- (2) James Quinn holds two roles with the Trust - its medical director and consultant ENT surgeon. The expenses listed above cover both roles, of which only around half applies to his duties as medical director
- (3) Paul Traynor's removal expenses, following his relocation to Hertfordshire and paid in line with standing NHS policy, are included in this quarter's table under the heading of *Other*
