Notes

(1) Mileage: The Trust has four separate hospitals and is at some distance from its main PCT and SHA. Between them, these location factors account for the vast majority of directors' mileage claims

(2) Alison Murray's term of office finished at the end of June 2010, following which she left the Trust

(3) Michael Gibbons stepped down at the end of April 2010 as a Trust non-executive director

(4) James Quinn holds two roles with the Trust - its medical director and consultant ENT surgeon. The expenses listed above cover both roles, of which only around half applies to his duties as medical director
