

Parent Information – Children’s Plastics Dressing Clinic

Children’s Day Services

Introduction

Welcome to the Children’s plastics dressing clinic.

The purpose of this leaflet is to give you more information about your child’s appointment at this clinic to help you plan your visit.

Where is the clinic held?

The clinic is located in Bramble, Mulberry Bush Unit, situated in the Lilac zone on level 2 at the Lister Hospital.

Your child’s appointment

We aim to try to keep to your appointment time but the clinic does get very busy and some days there may be some unavoidable delays, such as doctors attending emergencies elsewhere in the hospital. In the event of delays, we will make every effort to keep you informed.

Please turn this leaflet over to see ‘Your journey through Plastics Dressing Clinic’ as displayed on the wall in Bramble. Please be aware, the length of time with us can take up to 4 hours. This will depend on the stages of treatment your child receives.

If travelling by car, please allow enough time to park prior to the appointment and, if parked by a meter, you have allowed enough time for the appointment.

We have drinking water available in the clinic waiting room but you may wish to bring some additional drinks and snacks with you on the day of your appointment.

Further information

If you have any questions or need to change the appointment, please contact the clinic on 01438 285496.
