Supporting Parents of Autistic Children in East Herts

www.spaceherts.org.uk

We are a new support group for parents/carers of children with Autistic Spectrum Disorders. We have been running since June 2008 and were initially set up by Sue Clarke, Autism Advisory Teacher. Our aim is to provide support to each other and share information. We meet once a month during the day at the **Longfields Children Centre, Longfield Lane, Flamstead End EN7 6AG** from 1.00pm - 2.30pm and once every three months in the evening at Cuffley Free Church from 7.30 - 9.00pm. We try to have a speaker at every session and education and health professionals regularly drop in.

We usually hold our afternoon meetings on the first Monday of every month, although this sometimes changes due to the timing of school holidays.
