

# Patient Information – Infection Prevention and Control

## Introduction

The NHS website ([www.nhs.uk](http://www.nhs.uk)) has thousands of freely available articles, videos, tools and apps to help you make the best choices about your health and wellbeing.

## Health A-Z Guide

On the NHS website, there is a complete [Health A-Z](#) guide to conditions, symptoms and treatments, including what to do and when to get help.

Below is an example of some of the information available relating to preventing infection. Click on each condition below to see more:

- [Chickenpox](#)
- [Clostridium difficile](#)
- [Coronavirus](#)
- [Tuberculosis \(TB\)](#)
- [MRSA](#)
- [Norovirus \(vomiting bug\)](#)
- [Gastroenteritis \(diarrhoea and vomiting\)](#)

## Medicines A-Z Guide

On the NHS website, there is also a [Medicines A-Z](#) where you can find out how your medicine works, how and when to take it, possible side effects and answers to your common questions.

For more information visit the NHS website: <https://www.nhs.uk/>
