

Introducing your MVCC Clinical Nurse Specialist (CNS) for renal cancers

Renal cancer Clinical Nurse Specialist

Cathie Evans

- Telephone 07769 880 405

My normal working hours are

Monday – Thursday 8:30am - 4:30pm

If I am not available, please leave a message on my voicemail and I will return your call as soon as I can. Please note this is not an emergency number, and I am not able to deal with appointment related queries.

Introduction

My name is Cathie Evans. I am the Clinical Nurse Specialist at Mount Vernon Cancer Centre with responsibility for patients with renal cancers

My role is to be a key point of contact for you here at the Cancer Centre. I will be involved in the co-ordination and organisation of your individual treatment programme and work closely with other members of your treatment team. Starting treatment for cancer can be a confusing and worrying time for you and your family and it is my role to help reduce the stress and anxiety that you may be experiencing.

Please note: If you develop any side effects (diarrhoea, skin rash, fatigue, temperature etc) as a potential result of your treatment, please contact Acute Oncology Service (AOS) immediately and do not wait for me to return your call. When reporting side affects you must act swiftly and through the right channel for your own safety. Feel free to contact me after notifying AOS.
